SHARADA FOUNDATION

We, A group of Spiritual seekers (women) with ideal of renunciation and service, having lived together for about a decade, have recently founded a Trust by the name : Sharada Foundation, at Bailur, Karkala Taluk, Udupi District, Karnataka.

In principles, ideas and ideals as well as goals and activities it follows entirely The Ramakrishna Tradition as set by Swami Vivekananda, and thus, is an humble participant in the world encompassing Great Ramakrishna Movement.

Our aim

The seeking for our own spiritual evolution and also of the others around and the urgent need of educating women to live a stress free secured life of self-dependence and of lasting joy, peace and social security and be of help in building a strong Nation, strong society and a stable social structure has necessitated the formation of this Trust.

THE WHOLE WORLD IS YOUR OWN

I tell you one thing - If you want peace of mind, do not find the fault with others, Rather learn to see your own faults. Learn to make the whole world your own. No one is a stranger, my child; this whole world is your own.

- Sri Sarada Devi

Our Ideals

The most inspiring life of Sri Ramakrishna Deva of total renunciation, ecstatic love of God and God-realisation, Supreme Wisdom and of service to humanity seeing God in man — is the base of this Trust.

The life transforming divine life of Holy Mother Sri Sarada Devi of absolute purity, of intense faith and devotion, radiating love and peace, of forbearance and compassion, of Mother-hood and Divinity, is this pivot of the Trust.

The awakening and soul thrilling words of Swami Vivekananda to dedicate one's life and one's all for building up the Nation, and to strive for one's own salvation and serve the mankind in every possible way is the guiding principle of this Trust.

Forget not to imbibe the above ideals, that makes every man a god on this earth. Bring them in your life and spread them among others. Let us grow to become one world of love, peace and harmony.
